

CCTV Operator

Level 2 Award for Working as a CCTV Operator (Public Surveillance) within the Private Security Industry

Our Awarding Bodies security qualifications are fully endorsed by the SIA and regulated by Ofqual, Qualifications Wales and CCEA.

This regulated qualification is ideal for anyone wishing to work as a CCTV operative as it provides them with the necessary skills and knowledge to apply for an SIA Licence in this field. It has been developed to meet the requirements of the Security Industry Authority (SIA). Subjects covered include roles and responsibilities of CCTV operators, codes of practice, operational procedures and guidelines, CCTV equipment and operation and surveillance techniques.

How long will it take me to achieve this qualification?

This qualification must be undertaken over a minimum of **3-days**. If commencing the course by doing home learning of 9+ hours. You will be required to complete a home learning log

How is the qualification assessed?

It is divided into 3-units and is assessed through two multiple-choice examinations and a practical test. These units are as follows:

Unit 1: Working within the Private Security Industry

Assessed by a 1-hour, 40-question, multiple-choice examination. Learners must achieve a score of at least 28 out of 40 to pass this unit.

Unit 2: Working as a CCTV Operator within the Private Security Industry

Assessed by a 1-hour, 40-question, multiple-choice examination. Learners must achieve a score of at least 28 out of 40 to pass this unit.

Unit 3: Practical use of a CCTV System

Assessed by an externally set and internally assessed practical assessment. Learners must achieve a 100% pass mark.
