

F-POS (I), MIRA & Paediatric CPD Training

First Person On the Scene Intermediate - Refresher

Medicine In Remote Areas Level 4 - Refresher

Paediatric Level 3 - Refresher

This Course is for fully qualified medics who are serious about their skills and abilities and who wish to ensure they don't develop skill & Knowledge loss. Its designed to put everything together in a fun yet serious manner allowing you to practice all the skills that most of us don't come across in everyday situations simply because we are not practicing Paramedics.

The Continuous Professional Development demonstrates to employers that you can be relied upon in the event of an emergency and have up-to-date skills and knowledge

How long will it take me to achieve this qualification?

It is recommended that the qualification is delivered over **2 days (Most attendees feel the 2 - day session is far more practical as day shows up any skill fading and two allows you to practice with confidence)**

How are the qualifications assessed?

- This qualification is assessed continually and is robust to ensure the CPD is seen as credible by employers

Certification – Attendance & Participation Certificate

What next?

Individuals achieving this qualification can then progress on to any higher-level medical courses such as a Nursing Qualification, EMT, AEMT and enroll on a Paramedic course to become a HCPC registered Paramedic.

Where can this course be taken?

At our Specialist Training Centre in Pulborough, West Sussex or at a Suitable Business Facility provided by you
