

Threat & Risk Assessment

Level 2 Award in Risk Assessment (RQF) 2 Days Mixed course which means part is a qualified nationally recognised and the other part is CPD

This qualification is designed to prepare learners to progress into Higher Education and to provide learners with a greater depth of awareness of Threat and Risk assessment in any environment. We have adapted this qualification to encompass the Assessment of Threat and Risk within Business and also for the Security Associates within your company, so they can better deal with the multitude of issues that effect the contemporary Business Community. More specifically we deal with a wide range of issues that relate to both commercial security/image and physical threats and risks.

The qualification has one mandatory unit to complete. Which is completed during Day 2 We go through the complexities of Threats to Image/Brand, Personal Views and their associative risk or threat to the companies standing and how to mitigate these within general media. This course provides an insight into the many forms of Risk and Threat Assessment required to remain competent and compliant within your industry.

How long will it take me to achieve this qualification?

This qualification is usually achieved by taking a two-day classroom-based course; however, it can also be achieved through a variety of other methods including blended, distance and e-learning.

How is the qualification assessed?

It is assessed by a multiple-choice examination, where the learner must answer at least 9 out of 15 questions correctly. The examination will take a maximum of 30 minutes to complete. As this is a combined RQF/CPD Course you will also be required to complete a portfolio

What next?

Learners successfully completing this qualification may wish to progress onto further qualifications, such as:

- Level 2 Award in Health and Safety within the Workplace (RQF)
- Level 3 Award in Health and Safety within the Workplace (RQF)
- Level 3 Close Protection
